EDS News Brief

Accessing Previous Years' Data

Data entered into CIITS in previous school years is available to teachers and principals for review. To access this data use the click paths below to navigate each source of evidence.

Self Reflection

Teachers	Principals
➢ Click Self Reflections ➢ Click Choose Another window on left ➢ Navigate to window from previous year ➢ Click the window you wish to view (only windows in which data has been submitted will display)	➢ Click View Self Reflections ➢ Navigate to the window for the desired role of the educator and year (Note: the order of the windows will be addressed in an upcoming hotfix so that they are separated by year) ➢ Click on the educator from the caseload to view.

Professional Growth Plans

Teachers	Principals
➢ Click My Professional Growth Plan ➢ Click the Teacher PGP drop down arrow to navigate to previous year's goal (only windows in which data has been submitted will display)	➢ Click Professional Growth Plan ➢ Navigate to individual teacher in current caseload who has begun a PGP for current school year. ➢ Click on Teacher's Name ➢ Click the "Teacher PGP" drop down arrow to navigate to teacher's PGP goal from previous school year. (only windows in which data has been submitted will display)

Observations

Teachers	Principals
➢ Click My Observation ➢ Click the link "View data from prior years." (If an observation has already been submitted in the current year, they will have the "Choose another window" selector instead of the "view data from prior years" link)	➢ Click Observation Summary ➢ Click the link "View data from prior years." ➢ Click on the teacher from the caseload to view. ➢ If an observation has already been submitted (on any teacher in any principal/supervisor window) they will see the "choose another window" with all windows where an observation has been submitted – instead of the "view data from prior years" link)

Student Voice

Teachers	Principals
- Click My Student Voice Results - Click the link "View data from prior years." - Once the current year data is uploaded, they will instead see the "Choose another window" selector	- Click Student Voice Results - Click the link "View data from prior years." (Once the current year data is uploaded, they will instead see the "Choose another window" selector) - Click on the teacher from the caseload to view.

Median Student Growth Percentile Results

Teachers	Principals
- Click Median Student Growth Percentile Results - Click the link "View data from prior years." (Once the current year data is uploaded, they will instead see the "Choose another window" selector)	- Click Median Student Growth Percentile Results - Click the link "View data from prior years." (Once the current year data is uploaded, they will instead see the "Choose another window" selector)

Summary of Evidence

Teachers	Principals
- Click My Summary of Evidence - The My Summary of Evidence link is only available if the user has had a Summary of Evidence submitted for them (from any year) - If multiple years of Summary of Evidence have been submitted for the user, they will have the "Choose Another Window" link to select the other year(s)	- Click Summary of Evidence Progress - Navigate to the window for the desired role of the educator and year - Choose educator from caseload to view.
